### **Greetings Supporters:**

The Hamer-Winter Dinner, a premier fundraising event of the Mississippi Democratic Party, honors the dedication and hard work of two Mississippi Democratic Party legends -- Fannie Lou Hamer and Gov. William Winter. This year's Dinner will be on Saturday, May 25, 2024, at the Jackson Convention Complex. Democrats from across the state will convene in Jackson and celebrate these two icons by honoring current day torchbearers of democracy.

The history of the Mississippi Democratic Party is complicated, to say the least. Interwoven between the layers of humanity and inhumanity are valleys of depravation and degradation and beacons of heroism and courage.

We owe so much to Fannie Lou Hamer and Governor William Winter for their unwavering commitment to and belief in a better Mississippi for all. Their lives ran parallel throughout painful yet cathartic decades of Mississippi's history. Fannie Lou Hamer's clarion call for civil rights and voter empowerment and Gov. Winter's insistence on a stronger public education system are bedrock principles of Mississippi Democrats.

Yes, our task is as difficult and, in some ways, more difficult than our icons. Their fearlessness, tenacity, courage, and commitment to a better and brighter future for all fuels our journey ahead. Their witness is the basis for the resurgence of the Democratic Party in Mississippi.

The future of the Mississippi Democratic Party is bright. The turbulent times of the past are the foundation for our today and tomorrow. When we focus on the issues, we win.

Please join us.
